

Easter tide 2011

2. Easter

'I am the Spirit of the Risen Christ.
I live in you and I love you.
I am closer to you than you are to yourself.
I shall never leave you; for you and I are one.
Therefore, have courage –
I have overcome your fear.
Only this I ask you because I need you –
Have compassion for each other;
Help me save the world.'
