

Windows of Wonder - Paula

March 16th 2011

'I love you Mum,' is the chorus I have just heard from two of my three girls as they head off to bed. They were busy complaining that they didn't want to go...that it was too early. Instead of the usual, curt response from me I just said 'I love you girls,' and their reply came instantly...with a smile! A wonderful, affirming chorus. I am loved!
